Bloom wildly...

I'm so excited to introduce you to our Spring/Summer jewelry line. This is one of my favorite times of year and I love the variety of flowers and new growth that comes with it. Each flower has beautiful, *unique* qualities that stand out in a field, each with its own story. Just what I try to capture in our jewelry and what I see in all our Designers as well.

The wildflowers are always my favorite. It's extraordinary how they grow in multitudes out of nowhere. They grow in packs and stick together. They each are *beautiful*, unique, and one of a kind. They withstand the storms of life and continue to thrive. And, they never give up!

This represents so much of what we do here at jBloom and what we are all about. My favorite quote sums up the *community* we have created.

"A flower doesn't compete with the flower next to it, it just BLOOMS."

As you look through the catalog, I hope it reminds you of the beautiful wildflower that you are.

Enjoy!
