FALLWINTER | 2023

Bloom wildly...

Fall is coming and new jewelry is here!

The fall brings so many changes and that is happening here at jBloom as well. New colors, styles, personalized pieces and an expanded PermaLink line will bring so much excitement for the fall season. I know you will find new on-trend pieces you will love or that special personalized piece that will be a lasting memory. What special saying or custom design would you want to add to a piece of jewelry to create that perfect memory?

I am also so thankful for our incredible jBloom Designers. They encourage and support each other to help reach their own goals. They come from all walks of life, and all have different reasons for coming to jBloom. Some need extra income, some a social outlet, and many want a simple and inexpensive way to join the Permanent Jewelry trend with PermaLink. No matter what the reason, we are here to help and support each other.

I always love to end with my favorite quote:

"A flower doesn't compete with the flower next to it. It just BLOOMS."

That is truly what is happening right now at jBloom and we would love you to be part of our community. Enjoy looking through the new catalog to find your new favorite pieces. We can't wait for you to wear and share your story.

What are permanent bracelets?

They are one of the hottest trends in jewelry. The bracelet is just what it sounds like: it's simply continuous chains without a clasp, that is made to be worn all the time.
