Bloom wildly...

How is it possible that it's time for a Spring/Summer catalog already?

Well, it is – and this catalog may be one of my favorites! The trends in jewelry this season bring color, texture and beads to life! So many pieces to layer to create statement looks, or separate for a more simple look. New styles of PermaLinx that will make it hard not to want them all. Plus, new personalized pieces to treasure with names, dates, phrases, handwriting and so much more.

As for our amazing jBloom Designers, to know them is to love them. These are the most encouraging, uplifting, and supportive group of people. They come from all walks of life, and all have different reasons for joining jBloom. Some need extra income, some need a social outlet, and many want a simple and inexpensive way to join the permanent jewelry trend – PermaLinx by jBloom.

Enjoy looking through the catalog to find your new Spring/Summer must haves. If you are thinking, "I wonder if I could be a jBloom Designer." The answer is YES!! We are here to help and support you every step of the way.

As always, I can't wait for you to wear and share your story,

Jennifer
