Permalinx

There's a reason permanent jewelry is one of the hottest trends in the jewelry world it's more than a bracelet, anklet or necklace.

It's a symbol, a connection, a celebration of the moments that matter most.

At jBloom, we've reimagined permanent jewelry with our exclusive PermaLinx[™] system: a simple, secure, and portable way to wear your story every day, without limits.

Unlike traditional welded jewelry, PermaLinx requires no special equipment. It's customfitted right in front of you—no heat, no hassle—yet strong enough to last through life's adventures. Our high-quality chains are designed to last, with no fading or stretching, so you can count on your PermaLinx to look as beautiful as the day you got it. Our customers love the endless chain options and love building their own stacks, each piece telling a different story: a friendship celebrated, a special occasion remembered, a group event like a sorority or bridesmaids' gift, or simply a special reminder in a fashionable way. When you layer them together, you create a personal narrative you never want to take off.

Whether you're wearing one or many, PermaLinx connects you to what matters most—and invites you to join one of the fastestgrowing movements in jewelry today. Looking for a meaningful way to build a business? Sharing PermaLinx with others lets you offer beauty, strength, and story in every linx, while building a future you're proud of.

What are you waiting for? Get your PermaLinx today or start your own permanent jewelry business and help others wear their story, too.
