PermaLinx

Why Is Everyone Falling in Love with PermaLinx™?

It's personal.

Each piece is custom-sized to you—creating a seamless fit that feels effortless every day.

It marks a moment.

Celebrate friendships, milestones, and everything in between with jewelry that holds a meaning. It will remind you every day of that moment.

It stays with you.

Designed to never come off (unless you cut it off). Made with high quality stainless steel so it will never fade, tarnish or stretch. Designed to go wherever you do.

It elevates your style.

Layer it. Stack it. Mix it. Create a look that's completely your own. You can also wear it all alone and never have to worry about putting on your jewelry!

Beware: they are slightly addictive!

Wear Your Story — Without Limits

PermaLinx[™] is jBloom's exclusive permanent jewelry system. No heat. No equipment. No fading. Just a simple, secure, custom-fit bracelet created in minutes, right in front of you.

Each piece celebrates a connection, a moment, or a memory—designed to last through life's adventures. Choose from a variety of high-quality chains and build a look that's completely personal.

Whether you're marking a milestone, celebrating a friendship, or creating a gift, PermaLinx[™] turns every chain into something meaningful.

Interested in more than just wearing it? Ask your Designer how to start your own PermaLinx[™] business and help others wear their story, too.
